**MASS INTENTIONS** The Mass is the greatest act of worship we can ever take part in. Every Mass is offered for 'the peace and salvation of all the world' However, we can also have Mass offered for a particular person, or intention. That person, or intention, then benefits in a special way from the Mass celebrated for them. We can have Mass said for someone who has died (for the repose of their soul), or for someone living – perhaps someone who is sick, or anxious. Of course we can also have Mass said on joyful occasions – perhaps for a special anniversary, or in thanksgiving. If you would like Mass to be said for someone, or for any special intention, ask at the parish office or fill in one of the brown envelopes marked 'MASS OFFERING', which are available at the back of church. When completed please return the envelope via the collection basket or Angel house. This way the person you are remembering will be mentioned in the newsletter.

On the envelope under 'Intention' write the name of the person you are remembering & the reason why e.g. Anniversary of their death, Get Well, Wedding Anniversary etc. Write the date preferred . Donor is your name. It is usual to make an offering whenever asking for a Mass to be said – this is called the 'stipend'. Put the stipend in the envelope- it is usually £10- and then return the envelope via the collection basket or Angel house. This way the person you are remembering will be mentioned in the newsletter.

**CHILDREN'S LITURGY** at St Bernard's 9am Mass Sunday. Would you like to help this group? They desperately need adults to work with the children -doing appropriate activities around the Gospel of the day. Not sure if it's for you? Why not go to a session at the 9am Mass at SB and observe. There are a lot of resources available. The Lord has given us all unique gifts. Can you use yours to help these children?

If you think you'll need training then the Diocese often holds training sessions.. I'm sure you'll agree that it is very important that the Children's Liturgy continues. Why not give it a try? Many hands make light work. Please, please support this very important Ministry.
